

27th Annual Conference on the Adirondacks

May 18th and 19th, 2023

The Conference Center at Lake Placid, Lake Placid, NY

"Climate Change in the Adirondack/North Country Region – Mitigation, Adaptation, and Implications"

ADK CLIMATE STORIES: During the Conference, University of Rochester professors and students will be stationed in the Lobby of the Conference Center to record attendees' stories about their experiences with Climate Change in the Adirondacks. ADK Climate Stories is a multifaceted project that aims to tell the story of the region's changing climate - don't miss the chance to join in and share your perspectives! Learn more about the project at <https://adkclimatestories.org/>.
